

SCARLET DAHYE LEE

3D Animator | Vancouver, BC

Portfolio | scarletdahyelee@gmail.com | [Linked In](#)

CORE COMPETENCIES

- **Character Animation & Performance** - Experience across **stylized character performance** and subtle, naturalistic movement, with a strong foundation in posing, line of action, body mechanics, timing, weight, acting, and expression.
- **Artistic & movement Foundation** - Strong **drawing** and **2D animation foundation**, with particular strength in life drawing and gesture, supporting clear silhouettes, dynamic posing, and believable movement.
- **Production & Collaboration** - Professional experience working in Maya-based studio pipelines. Actively participate in weekly team reviews with Directors and Leads; effectively interpret notes, respond to feedback, and contribute to clear production communication in fast-paced studio environments.

EXPERIENCE

3D Dev Animator

ICON Creative Studio | *Upcoming Netflix Series*

Mar 2026 - Present

Vancouver, BC

- Contribute to character development and motion asset creation for an semi-realistic stylized animated series.
- Create **subtle character performance**, idle animations, and **reusable character cycles**, with an emphasis on naturalistic motion, prioritizing physical weight, timing, and performance consistency.
- Maintain clean, production-ready Maya scenes and track animation assets through ShotGrid (Flow Production Tracking).
- Collaborate closely with Directors, Leads, and senior animators, iteratively refining character motion passes based on creative feedback.

3D Character Animator

ICON Creative Studio | *Minnies Bow Toon: Pet Hotel*

Dec 2025 - Mar 2026

Vancouver, BC

- Animated stylized character performances for a cartoony children's television production using Autodesk Maya.
- Created **expressive, cartoony performances** with an emphasis on clear posing, strong lines of action, timing, expression, and character appeal.
- Performed **solid close-up lipsync** shots.

2D Character Animator

Duckshot (Shortfilm)

Apr 2025 - May 2025

Ottawa, ON

- Animated rigged 2D character shots in Toon Boom Harmony, delivering high-energy, action-heavy sequences from storyboard maintaining timing, posing, and character expression fidelity.
- Proactively communicated with Director and addressed notes, ensuring animation aligned with storyboard vision and expectations.

EDUCATION

Algonquin College

3D Animation - Ontario College Advanced Diploma

Jan 2023 - Apr 2025

Ottawa, ON

AWARDS

Style That Makes Us Smile 2025 - Jam Filled Animation Studio
